Continuation Sheet

Continuation of 10. In section (IV) Applicant states that "All of the amendments have been entered." However, there was no after final response that included amendments to the claims. Section (IV) must include a statement of the status of *any amendment filed subsequent to final rejection*.

Section (VI) contains issues that are not statutory grounds of rejections. The issue of whether or not the limitations in claims 11, 34 and 38 constitute method or structural limitations is an arguments, not a grounds of rejections.

Section (VII) has a heading directed to "Objections based on Method Claim Terminology in Claims 11, 34 and 39," however no objections to the claims have been made in final office action filed January 21, 2009.
